

CDX-System: Creation and Submission of material data sheets (MDS)

Requirement of the Material declaration (Conformity document)

The following should be ensured:

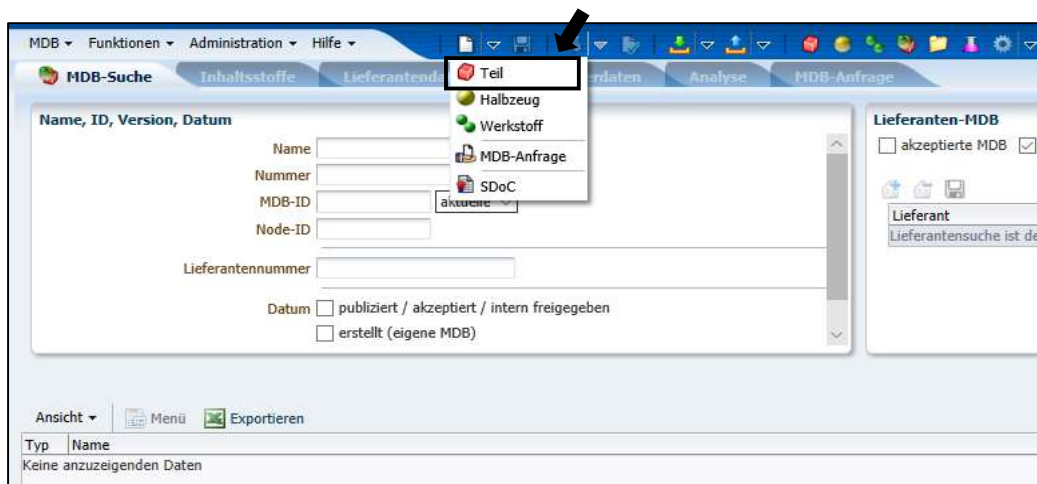

1. Declaration on a official company letterhead
2. Proper name of REACH or RoHS Directive legislative reference
3. Includes unique reference to parts or products being covered by the declaration
4. Name, contact details and position must be included
5. Date of reference must be included

Guideline of submitting document in CDX:

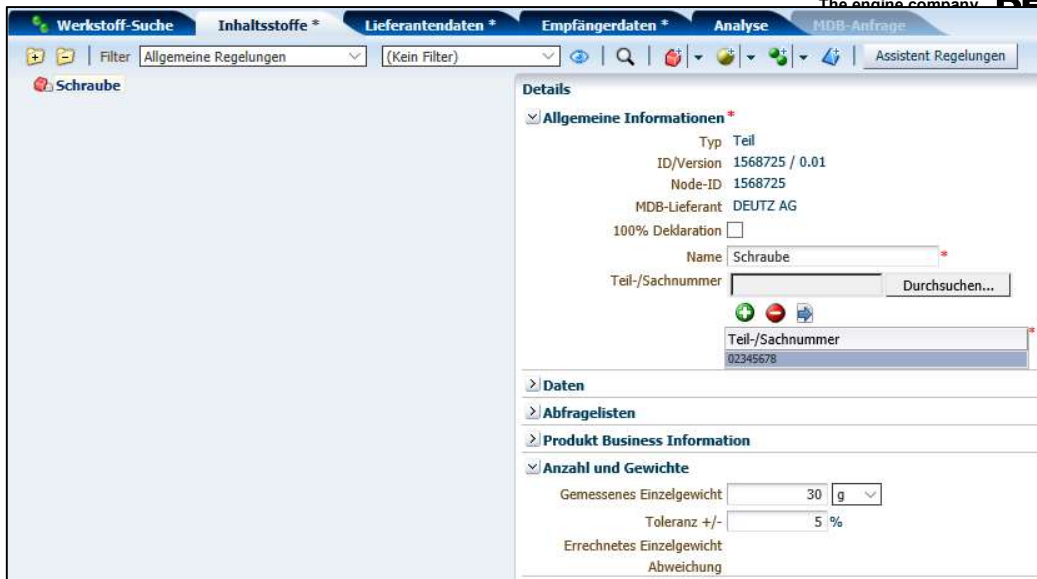

- 1) CDX system is available at: <https://www.cdxsystem.com/cdx/faces/login>
- 2) Enter your User ID and Password and click "Login".

- 3) To create a new component, click "New" () and select component.

- 4) Enter the following information on the right side:

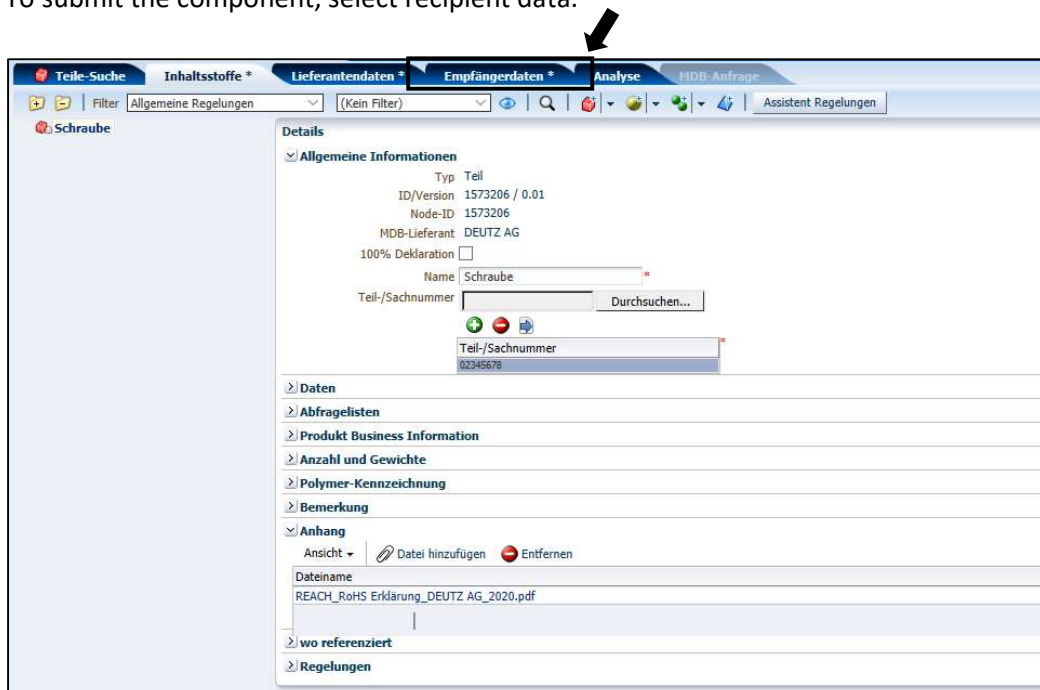

- a. Name (your material name)
- b. Part/Item No. (your part/item number)
Click "Add new number" () and confirm your input with "Apply"

5) Add your declaration on the REACH Regulation and the RoHS Directive under Attachment.
Click on "Add file" ().

6) Save the created component ().

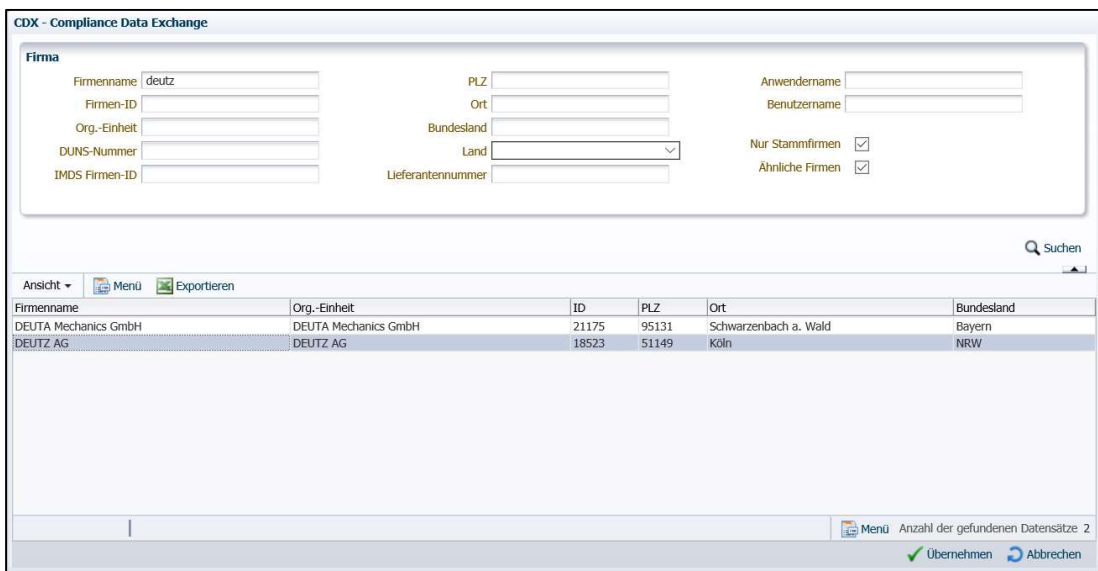

7) To submit the component, select recipient data.

Click „Add recipient“.

Search for your recipient and click “Apply”.

8) Enter the recipient data on the right side:

Name Schraube ID/Version 1568725 / 0.01 Node-ID 1568725 Status In Bearbeitung
